OMEGA-3
Fish

HEALTH BENEFITS

Omega-3 fatty acids are associated with overall health, including heart, brain and eye health in addition to supplementation during pregnancy. The benefits of omega-3 fatty acids are supported by thousands of published scientific studies.

PREMIUM CONCENTRATIONS • SUSTAINABLY SOURCED • TAILORED RATIOS

	Ratios in TG & EE	EPA mg/g	DHA mg/g	TOTAL Omega-3 mg/g
Isolates ≥850 mg/g	Omegatex 90/00 EE	900	-	900
	Omegatex 63/21 EE	630	210	900
	Omegatex 54/30 EE	540	300	900
	Omegatex 45/35 EE & TG	450	350	850
	Omegatex 60/20 EE & TG	600	200	850
	Omegatex 48/32 EE & TG	480	320	850
Platinum >750 mg/g	Omegatex 80/00 EE & TG	800	-	800
	Omegatex 00/76 EE & TG	-	760	800
	Omegatex 55/20 EE & TG	550	200	800
Ultra ≥700 mg/g	Omegatex 00/70 EE & TG	-	700	750
	Omegatex 50/20 EE & TG	500	200	750
	Omegatex 46/18 EE & TG	460	180	700
Core >600 mg/g	Omegatex 36/24 EE & TG	360	240	650
	Omegatex 10/50 EE & TG	100	500	650
	Omegatex 30/20 EE & TG	300	200	550

SUSTAINABLE INNOVATION

Solutex stands behind the quality of our products

A combination of innovative green chemistry technology including supercritical CO2 fluid extraction and chromatography to extract, purify, separate and concentrate individual fatty acids from omega-3 oils.

A patented purification process to gently remove contamination including heavy metals, PCBs, dioxins and others. Leveraging our Flutex® technologies and equipment, Cleantex® utilizes nitrogen rather than steam, to avoid the risk of oxidation.

Follow our Omega-3 community
