

OMEGA-3

Algae

source

HEALTH BENEFITS

heart brain eye prenatal

Algae oil in its natural form is a triglyceride and is fully sustained through our extraction process. Additional steps can be executed during extraction to further concentrate beneficial polyunsaturated fatty acids to provide product differentiation.

PREMIUM CONCENTRATIONS · SUSTAINABLY SOURCED · TAILORED RATIOS

	Ratios in TG	EPA mg/g	DHA mg/g	TOTAL Omega-3 mg/g
Vegan EPA & DHA	PLATINUM			
	Omegatex Algae 30/40	300	400	700
	Omegatex Algae 20/50	200	500	700
